NOTICE OF PUBLIC HEARING

TAKE NOTICE that the County of Wetaskiwin No. 10 has prepared a new Land Use Bylaw to replace County of Wetaskiwin No. 10 Land Use Bylaw 1995/54. While retaining many features of the existing Bylaw, this new Bylaw has been designed to include more detail regarding planning, subdivision and development processes and also align with existing County Policies.

A copy of the draft Land Use Bylaw can be obtained from the County Office.

Before proceeding further, Council will hold a Public Hearing at which any person claiming to be affected by the proposed new Land Use Bylaw may ask questions or make their views known. As per the Municipal Government Act, any person affected, has the right to make a presentation.

The hearing will be held in the Council Chambers, County Office, 2.4 kilometres west of Wetaskiwin on Highway 13, at 9:45 a.m., Thursday, March 8, 2018.

Written submissions will be accepted up to the time of the hearing and should be addressed to the undersigned at the County Office.

Jeff Chipley
Assistant CAO

County of Wetaskiwin No. 10

Your farm, your future

Gain new insights into the business of farming

Join us for a special half day seminar

County of Wetaskiwin
Presents

Working Well Workshop

Tuesday March 20, 2018 6:00 – 9:30 pm
Falun Community Hall 272019 - Highway 13

Consider how your life would change if you lost your water supply!

Did you know that a poorly maintained water well can put your water supply at risk of contamination and reduce your well yield?

If you are one of 450,000 Albertans who use their water well for household purposes, the key to ensuring your water supply is safe and secure is to know how groundwater works, learning about your well and understanding how to properly maintain it.

Proper water well siting, construction, maintenance and plugging will help protect your well from biofouling and contamination, save you costly repairs, and ensure your well water yields are sustained over many years.

Find out what you can do to protect your well. Attend the **FREE water well management workshop** being hosted by County of Wetaskiwin and presented by the Working Well Program, with technical expertise provided by **Alberta Agriculture and Rural Development** and **Alberta Environment and Sustainable Resource Development**.

During the workshop we will cover:

- Groundwater – how it works
- Water quality and quantity testing
- Well protection – protecting your well from contamination
- Basic well maintenance
- Water sampling – how to do it

To attend the workshop, please pre-register by calling Heather at the County of Wetaskiwin Office. We will require your legal land description in order to retrieve your water well report from the Alberta Water Wells Groundwater information site.
