*"Built around the songs made famous by Elvis Presley, All Shook Up is the tale of a small town girl with big dreams and the motorcycle-riding stud she falls for. It's 1955, somewhere in conservative middle America, and a surprise visit from a mysterious leather-jacketed, guitar-playing stranger turns this small town and it's beliefs upside down with mistaken identities, love triangles and the power of rock & roll. With over 20 of Presley's songs providing the musical score, this hip-swiveling jukebox musical is irresistible fun for rock 'n' roll rebels of all ages!"*
