FIRE GUARDIANS - 2018

Fire Permits are REQUIRED from March 1st to October 31st and may be obtained from the Fire Guardian in your area.

An application for a Fire Permit should be made two or three days prior to the first day of burning. A Permit will be issued for a maximum ten-day period beginning from the date of issue; however certain conditions may be required in order for a permit to be issued. If an extended period is required for burning, application must be made for another Fire Permit after the first Permit is terminated.
