INVITATION TO TENDER

TWIN LAKES PARK ATTENDANT

The County of Wetaskiwin No. 10 invites tenders for provision of all necessary equipment, labor, and transportation to perform parks maintenance and services for the Twin Lakes Park within the County of Wetaskiwin No. 10 and in accordance with the terms and conditions of the contract documents. (Contract tender documents may be picked up at the County of Wetaskiwin Administration Office.)

Tenders must be received by the County of Wetaskiwin No. 10 by 10:00 am. local time, Thursday February 12, 2015. SEALED TENDERS must be addressed as follows:

TWIN LAKES PARK ATTENDANT TENDER

Geoff Lynch
Director of Leisure & Community Services
County of Wetaskiwin No. 10
Box 6960
Wetaskiwin, Alberta T9A 2G5

Tenders are to be submitted on the Contract Tender Form. Tenders must also include a current resume of the applicant. Failure to provide all required information may result in rejection of the tender package.

The County reserves the right to accept or reject any and all Tenders and to waive irregularities and informalities at its discretion. The County reserves the right to accept a Tender other than the lowest Tender without stating reasons. By the act of submitting its Tender, the Tenderer waives any right to contest in any legal proceedings or action the right of the County to award the Tender to any Tenderer in its sole and unfettered discretion. Without limiting the generality of the foregoing, the County may consider any other factor besides price and capability to perform the work that it deems in its sole discretion to be relevant to its decision including, but not limited to the following:

Experience; Reputation; Safety considerations; Financial solvency; Cost of maintenance; Terms of delivery; Customer service; Quality of past performance; and 5% preference to local suppliers.

Please contact the County of Wetaskiwin No. 10 office at 780-352-3321 or stop by for a complete Tender Package.

WORKING WELL

County of Wetaskiwin
Presents

Working Well Workshop

Wednesday February 25, 2015 6:00 pm

Millet Agriplex Hugo Witt Room 5290 – 45 Ave. Millet, AB

Consider how your life would change if you lost your water supply!

Did you know that a poorly maintained water well can put your water supply at risk of contamination and reduce your well yield?

If you are one of 450,000 Albertans who use their water well for household purposes, the key to ensuring your water supply is safe and secure is knowing how groundwater works, learning about your well and understanding how to properly maintain it.

Proper water well siting, construction, maintenance and plugging will help protect your well from biofouling and contamination, save you costly repairs, and ensure your well water yields are sustained over many years.

Find out what you can do to protect your well. Attend the FREE water well management workshop being hosted by County of Wetaskiwin and presented by the Working Well Program, with technical expertise provided by Alberta Agriculture and Rural Development and Alberta Environment and Sustainable Resource Development.

During the workshop we will cover:

- Groundwater – how it works
- Water quality and quantity testing
- Well protection – protecting your well from contamination
- Basic well maintenance
- Water sampling – how to do it

To attend the workshop, please pre-register by calling Heather at the County of Wetaskiwin Office. We will require your legal land description in order to retrieve your water well report from the Alberta Water Wells Groundwater information site.
