NOTICE TO ALL COUNTY RESIDENTS WITH PUMP OUT SEWAGE SYSTEMS IN THE PIGEON LAKE AREA

Temporary Suspension of Fee for Bulk Septage Loads Delivered to the Mulhurst Bay Lagoon

Effective immediately, the County of Wetaskiwin is suspending the new \$30 user fee that was implemented on January 1, 2016 for Septage Haulers for each bulk septage load delivered to the Mulhurst Bay Lagoon.

The \$30 fee was implemented to correlate with the anticipated commencement of operations of the new Westeros Dump Station, which is part of the new South Pigeon Lake Wastewater Collection System. The temporary suspension of the \$30 fee for Mulhurst Lagoon users is due to an unexpected delay in the commencement of operations of the Westeros Station and will remain suspended until the station commences operations. Septage Haulers who have hauled to Mulhurst Lagoon since the fee was implemented January 1, 2016, and who have collected fees from customers as a result of the \$30 fee, are being requested to refund those fees to their customers. Note that the suspension applies to the Mulhurst Bay Lagoon only, and the \$30 fee is still in place for users of the Alder Flats Lagoon.

We sincerely apologize for the confusion caused by the implementation of the fee and the delay of the opening of the Westeros Station. Please watch these County pages of the Pipestone Flyer newspaper for updates and the County website www.county.wetaskiwin.ab.ca for more detailed information.

Questions may be directed to CAO Frank Coutney at 780-361-6223 or Assistant Director of Public Works Brian Anderson at 780-361-6244 or using our toll-free line at 1-800-661-4125.
