TOTAL FIRE BAN

This is an update to the Fire Restriction. Effective at 12:00 pm, April 15, 2016 the County of Wetaskiwin No. 10 has changed from a Fire Restriction to a **TOTAL FIRE BAN**.

Due to dry conditions, high fire hazard levels, and an increased level of grass fires within the County boundary, the County of Wetaskiwin has issued a total fire ban that affects the entire County. The total fire ban is effective April 15, 2016 at 12:00pm until further notice.

All fires within the County are banned. This requires all outdoor fires presently burning, be extinguished and the lighting of any outdoor fires is prohibited.

This ban includes fire pits, burning barrels and fireworks.

The only exceptions are internal household fire places and gas fuelled equipment such as a propane barbecue or propane firepit.

Any fire permits issued are void and no new fire permits will be issued until the total fire ban has been lifted. Ensure any previous fires are extinguished.

As per County of Wetaskiwin No. 10 Fire Services Bylaw 2012/07, Section 11, the Total Fire Ban will be in effect until the Chief Administrative Officer deems appropriate to change.

For further information, please contact the County of Wetaskiwin No. 10 Fire Services at 780-361-6240.
