

COUNTY OF WETASKIWIN No.10

Strong Proactive Leadership • Safe Progressive Communities

“Conservation will ultimately boil down to rewarding the private landowner who conserves the public interest.”

-Aldo Leopold, 1934

ALUS seeks new participants for 2017!

Are you a farmer or rancher with some marginal or ecologically sensitive acres? ALUS can help you establish wetlands, native prairie, pollinator habitat and other projects on your land.

Even better, ALUS pays you annually to keep these projects in prime working order.

Your ALUS projects will produce cleaner air, cleaner water and more biodiversity, benefiting both your farm and your community.

Across Canada, more than 700 agricultural producers have already enrolled over 18,000 acres in the ALUS program.
